Re: United States v. Curt Herrera, 93-CR-203 (LGS)

Dear Judge Schofield:

At the end of February, the Court appointed me to represent Mr. Herrera "for the limited purpose of drafting and filing a motion for a sentence reduction and/or compassionate release." Doc. 191. It set the due date for the filing of a such a motion for April 15.

I have received a number of materials from Mr. Herrera that would be useful for this motion, but am still awaiting additional documents that I believe would be helpful to the Court in adjudicating the motion. Accordingly, I respectfully request that the Court set May 21, 2021 as a due date for the filing of a compassionate release motion. The government has indicated that it would like one week to file a response.

Thank you for your consideration.

Respectfully,

/s/

Florian Miedel  
*Attorney for Curt Herrera*
